

Szczegóły SKALA 1:200

Szczegóły SKALA 1:200

This architectural site plan, titled "Szczegóły SKALA 1:200", depicts a complex urban layout. The plan includes several building footprints, some labeled with "m2" and numbers like 101, 102, 103, 401, 403, 422, and 404. A network of roads and paths is shown, with various labels such as "Riva", "B", "Bp", and "Bp". Utility lines, including water supply (W), sewerage (S), and gas (G), are indicated with different colors and symbols. The plan also shows a drainage system with numerous manholes and pipes. Detailed insets at the top provide close-up views of specific areas, labeled L8, L11, L12, L13, and L14, showing the intricate details of the utility and drainage systems in those locations. The overall layout is a technical drawing used for urban planning and construction purposes.
